**Criteria for Membership:**

The Sponsors must ensure that the Applicant wishes to join the Club to play golf, that they are of good character and behaviour and that they know of no sound reason why they should not be admitted.

A member may propose an application for one Ordinary Membership within the same calendar year. A member may also second an application for one Ordinary Membership within the same calendar year. Further proposing or seconding is not allowed in that calendar year unless the first Applicant has been admitted to Membership or withdrawn from the Waiting List.

No member may Support more than 3 Applicants within the same calendar year. Admission to Membership or withdrawal from the Waiting List reduces the "live" supports accordingly.

The Proposer, Seconders and the 2 Supporters must have been Members for a minimum of 3 years.

Members, in supporting any Application, are by implication confirming that the above criteria have been met.

In accordance with Club Rules, this form should be sent to the Managing Secretary, along with letters of introduction from both the sponsor and seconder, for consideration by the Committee.
